WINDOWS OPERATING SYSTEMS

**INSTALLATION**

***Administrative rights should be granted in order to complete the installation***

1. Please review the necessary system requirements for DepositPartner to run properly.
2. Connect the scanner.
   a. Connect the USB cable to the back of the scanner, then to the computer.
   b. Connect the scanner power cable to the back of the scanner, then to an available power outlet.
   c. Make sure the blue flaps of the scanner are open and the light is a solid orange.
3. Visit files.panini.com and use the credentials below to download the Panini mI:Deal Setup.exe.
   
   USERNAME: mideal@panini.com
   
   PASSWORD: P@ssw0rd

4. Double-click the Panini mI:Deal Setup.exe to start the installation.
5. Click Save and Run. Then Click Next.

6. Click Finish to finalize the Panini mI:Deal setup process.

7. Open a web browser (ie. Safari or Google Chrome) and navigate to https://192.168.4.1 or http://192.168.4.1. The Panini homepage should open. If the homepage does not open, contact Treasury Management Support at 1-877-236-2739.
8. If the http://192.168.4.1 was used to access the Panini homepage, enable HTTPS in Step 9. If not, close the Panini homepage, then continue to step 11.

9. Enable HTTPS for scanner.
   a. From http://192.168.4.1, click on Configuration.
   b. Click Connection Parameters Setup.
c. Click **Next**.

d. Scroll to the bottom of the page.

e. Next to **HTTPS**: select Default Certificate.

f. Click Set Configuration.

10. Reboot the scanner by clicking the **Reboot** button. Leave the scanner plugged in.

a. The scanner light will flash from orange to red a number of times. Once the light has stopped flashing, close the browser. You are finished with this page.

11. You can now begin submitting deposits via the [DepositPartner website](#).

12. Registering your scanner

   a. After logging into DepositPartner, click the **Registration Tab** on the top menu bar.

   b. Click on **Re-Register**.

   c. Select the **Panini ml:Deal scanner** and enter the **Host Name** as 192.168.4.1.

   d. Click **Register**.

13. You can now scan and deposit checks.

For assistance, please contact Treasury Management Support at 1-877-236-2739 or email to tmsupport@johnsonfinancialgroup.com.
MAC OPERATING SYSTEMS
